Your Warmline for Help & Resources

Crisis Warmline

24 hours a day, 7 days a week

The Crisis Response System known as the "Community Warmline" is a service that provides Anne Arundel County Residents in crisis with supportive assistance and linkages to resources within the community. Non-emergency calls are handled by staff and will provide the caller with information, support and referrals. The Crisis Response System Staff intervene with callers who are experiencing a mental health emergency. Also, the Crisis Response System "Community Warmline" coordinates calls with the police, fire and community agencies that are requesting information on crisis matters.

Mobile Crisis Team

24 hours a day, 7 days a week

The Mobile Crisis Team (MCT) are mental health professionals who works with law enforcement and emergency personnel to assist individuals, couples and families in crisis. Assistance is offered at the scene to individuals with behavioral health issues and to those experiencing situational crises who would benefit from on-site mental health intervention or linkage to additional community resources.

Typical Calls:

Psychiatric or behavioral crises; Suicidal thoughts and/or plan; Emergency Petitions; Family and Martial conflicts; Domestic violence; Child and adolescent issues without criminality; Runaways; Questionable need for Adult or Child Protective Services; Geriatric issues with unknown needs for services; Homeless with Behavioral health issues; Assistance with referrals to community agencies; Crisis counseling for members of the community at the scene of a traumatic incident

Crisis Intervention Team

Monday-Friday 8am-11pm

The Crisis Intervention Team (CIT) is a collaboration between police and mental health professionals to help redirect individuals with behavioral health disorders from the judicial system to the health care system. Crisis Intervention Teams consist of a CIT trained police officer and an independently licensed clinician. The target population is individuals who are repeat 911 callers and individuals with behavioral health issues who would benefit from mental health intervention or linkage to additional community resources, beyond the capability of the Mobile Crisis Team (MCT). CIT members assist individuals in crisis in the community and attempt to restore the person to a pre-crisis level.

Typical Calls:

Repeat callers to 911 who are identified with behavioral health issues; Clients who are identified as high utilizers of the public behavioral health system; Individuals with known behavioral health issues disconnected from services and causing concern in the community; Suicidal attempts and completions; Provide follow up for emergency petitions done by patrol officers; Runaways; Individuals who are mentally ill and at risk of becoming involved in the judicial system; Provide resources and support to families and victims of traumatic events; Death notification for traumatic events such as murders, suicides, and major accidents
